Important Note

This declaration serves to confirm the skater's previous international representation history. It is not an official ISU Declaration Form, an ISU Clearance Certificate or a substitute for any other documentation required under the applicable ISU Regulations.

Where a skater has never represented another ISU Member in an ISU Event or International Competition, a release letter from another ISU Member is not required, as clarified by the ISU General Counsel in correspondence dated October 7, 2026.

The necessity of an ISU Clearance Certificate must be assessed separately in accordance with the applicable ISU Regulations, including discipline-specific provisions.
